

CONSORTIUM OF
ELECTRONIC INDUSTRIES
OF KARNATAKA

Catalysing the Electronics Ecosystem

30, 31 JULY &
1 AUGUST 2026

JNANA JYOTHI AUDITORIUM,
BENGALURU

KARNATAKA'S PREMIER
ELECTRONICS EXHIBITION & CONFERENCE

THEME

Connecting Innovation, Manufacturing,
MSME's and Global Opportunities

ABOUT CLIKTRONIKA 2026

CLIKTRONIKA is Karnataka's flagship Electronics Exhibition & Conference organized by CLIK (Consortium of Electronic Industries of Karnataka).

The event brings together electronics manufacturers, MSMEs, startups, OEMs, system integrators, buyers, investors, academia, government agencies and technology innovators on a single platform.

Focused on the Electronics System Design & Manufacturing (ESDM) ecosystem, CLIKTRONIKA 2026 will drive collaboration, technology showcase, business networking and knowledge sharing to empower the industry for sustainable growth and global competitiveness

WHY PARTICIPATE?

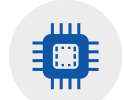

INDUSTRY & INNOVATION
PLATFORM

Meet industry leaders, innovators, policymakers and professionals to exchange ideas and explore new opportunities.

MSME & STARTUP
ENABLEMENT

Direct access to buyers, investors, government agencies and industry decision-makers.

TECHNOLOGY
SHOWCASE

Discover the latest advancements in semiconductor, IoT, automation, embedded systems and more.

POLICY & MARKET
INSIGHTS

Engage in discussions on market trends, export opportunities, policies, funding support and industry challenges.

**BUSINESS
NETWORKING**
Connect with OEM, EMS companies, system integrators, R&D institutions, buyers and industry associations.

KNOWLEDGE
SHARING

Learn from expert speakers, industry thought leaders and technology pioneers through engaging sessions.

BENEFITS TO EXHIBITORS

PRODUCT &
TECHNOLOGY
SHOWCASE

Display your innovative products, technologies and solutions to a targeted audience

BRAND
VISIBILITY

Increase brand awareness among key industry stakeholders.

LEAD GENERATION &
BUSINESS DEVELOPMENT

Generate quality leads and explore new business and growth opportunities

BUYER-SELLER
MEETINGS

One-to-one meetings with potential buyers, partners and decision makers

NETWORKING &
PARTNERSHIPS

Build relationships and collaborate for long-term strategic growth.

GOVERNMENT &
INDUSTRY CONNECT

Engage with government agencies, industry bodies and support organizations

ACCESS TO
ESOM ECOSYSTEM

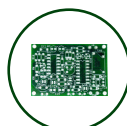

Reach MSMEs, OEMs, system integrators and technology companies.

EXPOSURE TO
EMERGING TRENDS

Stay ahead with insights into the latest technology and market trends

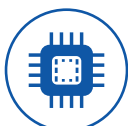

KEY INDUSTRY SEGMENTS

PCB & PCBA
MANUFACTURING

EMS &
MANUFACTURING
SERVICES

SEMICONDUCTOR
& CHIP DESIGN

EMBEDDED
SYSTEMS

IoT & CONNECTED
SOLUTIONS

INDUSTRIAL
AUTOMATION

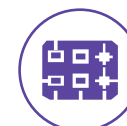

AEROSPACE &
DEFENCE
ELECTRONICS

TEST &
MEASUREMENT
